## *Cinnamon Bey Beruwala: A heady ambrosia for the senses*

### **Indulge in gastronomic journeys**

Nestled along the beach and facing the Indian Ocean, Cinnamon Bey Beruwala is located along the South West Coast of Sri Lanka. It marks the spot for the first Muslim settlement on the island, established by the Arab traders around the 8th century AD. Strong of this rich heritage, the resorts' design has been influenced to feature a modern Moorish style and décor. Cinnamon Bey Beruwala is named with reference to this history and is the term used to address provincial noblemen of the Ottoman Empire.

With its bright and spacious rooms, all overlooking the garden and the sea, the resort offers Superior and Deluxe rooms as well as two large Suites. An interesting feature about the resort is its 'hotel within a hotel' concept, housing a separate lounge, VIP check-in and exclusive swimming pool while its extensive range of dining options and experiences make this resort a food lover's paradise.

Beruwala is located 58 km away from Colombo Central and 65 km from the world heritage town of Galle.

Cinnamon Bey Beruwala is not too far from the hub of Colombo, which makes it the ideal out-of-town location for a grand event. There are two kinds of weddings we have on offer here for you; you'll have the choice between a banquet-style event indoors or an outdoor ceremony in our gardens by the sea. Choose the venue that fits your dream wedding and we'll provide professional planners to make your big day exotically come to life. Catering to both local and foreign markets, we offer traditional and western-style weddings, along with services for the renewal of vows. Indoor weddings are accommodated in the Kutlama Hall, which can hold up to 225 persons (150 persons with social distancing), whereas ceremonies on the beach can be flexibly arranged as per the number of guests invited.
