

1) Sharm Dreams Vacation Club

Location:

Vacation Club is just 12km south of Sharm el Sheikh International Airport, commanding a central location in Naama Bay. The resort is set in beautiful landscaped gardens and the entrance is only 150 meters from the beach.

Characteristics:

The hotel is of a high standard and all guest apartments are decorated with style and offer an array of modern amenities to accommodate all the needs of the guests.

Apartments are tastefully appointed and are located in buildings set amidst colorful the landscaped gardens with many rooms overlooking one of the pools that the hotel has to offer.

Resort Hotel apartment would provide a "holiday home" (serviced apartment, apart-hotel) that is a fully furnished room / apartment available for both short-term as well as long-term stays, providing hotel-like amenities, such as in-room kitchen, housekeeping, security, fitness, laundry, food and beverage.

Resort apartment (serviced apartments) are a type of lodging with features unavailable at standard hotels. These features are intended to provide more home-like amenities with respect to quality and the amenities available. Apart-Hotels typically have self-serve laundry facilities. They also have kitchens. The kitchens include at a minimum: a sink, a refrigerator (usually full size), a microwave oven, a stovetop and small size dishwashers.

Gardens:

The hotel is set in extensive landscaped gardens, beautifully designed with tropical trees and flowers.
